

❖ RULES AND REGULATIONS

- Team Managers are responsible for advising if their members are not participating in any events.
- A name of a worker per rider must be placed on the entry form and if the worker does not fulfil his commitment the rider will be scratched.
- Club uniform to be worn throughout Jamboree.
- All competitors must parade in the March Past. If a rider, for no valid reason, fails to ride in the March Past the club to which that rider belongs, though it may participate in the March Past, will not be eligible for judging. Failure to take part in the March Past without authorisation will see the club concerned fined \$50 for every rider not in the mounted parade without having been granted permission for early leave. Any other disciplinary action against the rider will be at the discretion of the club to which he/she belongs.
- Team Managers, suitably attired, to escort their team in the presentation.
- In each event each competitor is allowed one entry only.
- Competitors must be under 25 years on first day of Jamboree.
- The Committee may vary the order of events at any time.
- Judge's decision is final in all events.
- No limit on Rescue Relay teams per club.
- No limit on Teams of Four per club.
- Sporting – to be run on times only. There will be no finals.
- Champion trophies to be presented with champion sashes at time of event.
- Ribbons to 6th place in each event.
- Points system operates for competition in ALL events, 12 points down to 2 when six competitors or more, and adjusted accordingly when less than six competitors. Full points in Showjumping events.
- In the event of an equality of points for the most successful competitor, the competitor having scored the greater number of points with Riding Classes then Pairs events etc, shall be declared the winner.
- Dressage: Callers permitted for all riders with a five (5) points penalty. No penalty for riders Under 13.
- Pointscore will be posted 15 minutes before presentation.

RESCUE RELAY - The course will not contain combination obstacles.

- Competitors will jump as many obstacles in the correct order as possible as many times as there is reason to do so until they are stopped by the clock.
- The horse jumping the course when the **whistle** for time is sounded **must then jump the following obstacle**. The time will be taken when the horse's forelegs touch the ground. This obstacle does not count in classification. Should a horse be in mid-air when the **whistle is sounded** the next fence is jumped for timing.
- In the course of the competition, at each fault committed, no matter what this may be, the partner takes over immediately and continues the course.
- If the fault was disobedience, the partner takes over the round and must jump the obstacle where the disobedience occurred.
- In the case of a knock down, the **bell will sound**, the course will be rebuilt, the **bell will sound again** at which point the partner will take over and continue on course.
- Notwithstanding the conditions above, if a rider completes the first circuit of the course without fault, the other member of that team must take over the jumping.
- The competition then proceeds in accordance with the conditions as previously detailed in this competition.
- 2 points will be awarded for each obstacle jumped clear, 1 point for each obstacle knocked down.
- In the case of equality in points and time there is a compulsory jump-off for first place, over the same or reduced course.
