

SCORING PROCEDURES FOR JAMBOREE

TEAM OF FOUR RIDERS

The team of four riders will complete their workout and the judge will advise the penciller on what marks are to be awarded for each section on the team of four rider scoresheet. 	Team A	Team B	
1 st mark	9	9	
2 nd mark	8	8	
3 rd mark	7	8	Team B has placed higher than
4 th mark	8	7	Team A on count back.

The scores will be awarded as follows:

		Team of Four Riders											
		No of Teams											
Placing	>6	5		4		3		2		1			
		Team Score	Rider Score	Team Score	Rider Score	Team Score	Rider Score	Team Score	Rider Score	Team Score	Rider Score		
	1st	12	3	10	2.5	8	2	6	1.5	4	1	2	0.5
	2nd	10	2.5	8	2	6	1.5	4	1	2	0.5		
	3rd	8	2	6	1.5	4	1	2	0.5				
	4th	6	1.5	4	1	2	0.5						
	5th	4	1	2	0.5								
	6th	2	0.5										

RIDER CLASSES

The judge will place riders as they see fit and points will be awarded as follows:

		Rider Class					
		No of Riders					
Placing	>6	No of Riders					
		>6	5	4	3	2	1
	Rider Score	Rider Score	Rider Score	Rider Score	Rider Score	Rider Score	Rider Score
		12	10	8	6	4	2
	2nd	10	8	6	4	2	
	3rd	8	6	4	2		
	4th	6	4	2			
	5th	4	2				
	6th	2					

Equals are scored by adding the placing points together and dividing them the number of equal placings involved, for eg: =2nd/3rd in rider class - 2nd = 10 Points & 3rd = 8 Points totalled = 18 points so each rider will be awarded 9 Points

CHAMPION RIDER

Champion Rider will be awarded 4 points and Reserve Champion Rider will be awarded 2 points

DRESSAGE

Dressage tests will be tallied and the tests with the highest score down will be placed 1st to 6th. As per a Zone motion full points will be awarded to the placings irrespective of the number of competitors in the class.

Equal scores in the top three placings (1st to 3rd) will be placed on a count back – this is done by comparing the last collective mark in the test and so on back through the test and the rider with the first highest mark will be awarded the higher placing. Equal placings will be awarded if they occur between 4th & 6th.

Equals are scored by adding the placing points together and dividing them by the number of equal placings involved, for eg:
 $=5^{\text{th}}/6^{\text{th}} - 5^{\text{th}} = 4 \text{ Points} \text{ & } 6^{\text{th}} = 2 \text{ Points totalled} = 6 \text{ points so each rider will be awarded 3 Points each.}$

SHOWJUMPING

As per a Zone motion full points will be awarded to the placings irrespective of the number of competitors in the grade.

Equals are scored by adding the placing points together and dividing them by the number of equal placings involved, for eg:
=2nd/3rd in jumping - 2nd = 10 Points & 3rd = 8 Points totalled = 18 points so each rider will be awarded 9 Points

Equals are scored by adding the placing points together and dividing them the number of equal placings involved, for eg: =2nd/3rd in sporting event - 2nd = 10 Points & 3rd = 8 Points totalled = 18 points so each rider will be awarded 9 Points
